Futureproof Cumbria invites you to join our **Business Supporter Network**

- ✓ **We are Cumbria's leading climate change and sustainability organisation.**
- ✓ **We are evidence-based, positive, and collaborative.**
- ✓ **We are working towards a zero carbon Cumbria by 2037.**
- ✓ **Together we have influence, and we CAN affect change.**

We are forming a network of responsible Cumbrian businesses who believe a carbon neutral AND profitable future is possible; who will work together to do everything we can to make it happen.

**Together we are stronger.
We need you: are you in?**

Why does Futureproof Cumbria exist and what do we do?

We are in a climate emergency, and we are not willing to accept the status quo. Our goal is a zero carbon Cumbria which is socially, environmentally, and economically beneficial for all. We are working towards this by promoting and facilitating low carbon living and its benefits – inspiring and supporting individuals, communities, and organisations across Cumbria and beyond to decarbonise their lives and businesses by 2037 or sooner.

Why join the Futureproof Cumbria Business Supporter Network?

Demonstrate your commitment to green practices and strengthen your brand.

Attract new, socially responsible consumers to your organisation while meeting your corporate social responsibility objectives.

Enable a more sustainable way of life in Cumbria.

Your membership funds vital work to help individuals and communities adopt more sustainable practices.

Future proof your business by addressing climate change.

Gain access to the expertise of the team and network with others who can help address climate related concerns within your organisation.

Engage your employees around a cause they care about.

We'll help you to utilise your colleagues' skills and enthusiasm to raise funds for critical projects and services.

What will your support help to achieve?

Here at Futureproof Cumbria, we support a fair transition to zero carbon, one where nobody is left behind. We know that we can fight climate change best by working together, safeguarding our world for present and future generations.

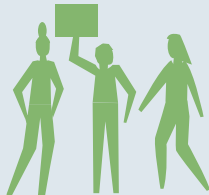

Your support will help us build on our key areas:

Education & training

Raising climate awareness in homes, schools, and businesses to inspire and support change, working with young people to get their voices heard.

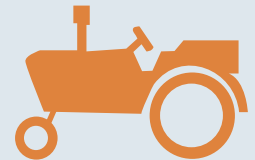

Communities

Supporting people to reduce the carbon footprint of their area by implementing low carbon solutions that matter to them.

Energy

Advice and practical support for households, businesses, and communities to increase energy efficiency and comfort, install renewables, and reduce energy bills.

Food

Engaging with producers to implement sustainable agricultural practices and working with consumers to bring local, low carbon food to our tables.
